GUIDELINES
FOR CONDUCTING COUNTY & CITY OF LOS ANGELES
COMMUNITY SURVEYS

The top portion (scene description, dates, times & production office information) of the attached "Community Survey" should be thoroughly completed and submitted to the assigned FilmL.A. Coordinator for review and approval. The coordinator will advise you of any changes, if needed, and when you should begin the survey gathering process.

The "Description of scenes & parking" section should include a complete description of all filming activities and should also note the areas intended for equipment parking, whether posting is requested or not.

Once the survey form is approved by FilmL.A., copies should be made in sufficient quantity to provide all residents with two of the surveys: one for comment and submission to FilmL.A. and one the resident/business owner can keep for future reference. Two copies should also be left at residences or businesses where no one is readily available for review. A brief note, making arrangements for retrieval of the survey form, should be left with the surveys.

Affected residents or business owners should be directed to complete the bottom left portion of the form and asked to include their phone number. Individuals who are hesitant to include their phone number should be told that it is not mandatory but that its only use is for verification by FilmL.A.

Apartment managers may sign for their tenants but they must do so in the designated area at the bottom right corner of the form, only. **Manager signatures in the bottom left (resident) portion are not acceptable.**

Surveys should be obtained from all residences within 300 feet of filming activities and/or within 200 feet of equipment parking. In merchant areas, survey requirements will be based on an areas Special Conditions. Where no Special Conditions exist, the surveys will be based on the amount of requested parking, type of production and type of activity requested.

Exceptional filming activity (i.e., gunfire, bullet hits, fire effects, explosions, car crashes, helicopter scenes etc.) prior to 7:00 AM or after 10:00 P.M. Monday through Friday and prior to 9:00 AM and after 10:00 P.M. on weekends and holidays may require surveys from a larger than usual area. The extent of the affected area will be determined by FilmL.A. based on the anticipated impact of the proposed activities.

A detailed map, similar to a plot plan, depicting the streets and residences affected, must be included with the surveys when presented to the FilmL.A. coordinator for review.

Each address on the map should be annotated, indicating whether the resident or manager had concerns, had no concerns, was not home, etc. Other notations - such as vacation, vacant, or refused contact, etc. - to further explain why there was no response, are especially helpful in the evaluation process.

SURVEYS AND THE REQUIRED MAP SHOULD BE SUBMITTED TO THE FILML.A. COORDINATOR AT LEAST 24 HOURS IN ADVANCE OF THE TIME THE PERMIT WOULD NEED TO BE RELEASED. This provides the necessary time to review the material and also provides you with time to gather additional surveys, if required.

FilmL.A. will evaluate the surveys and map to determine the extent of community concerns and support with respect to the proposed activities. Additional consideration is given to residents or businesses in close proximity to the filming activities and mitigating their concerns may be crucial to FilmL.A. approval.
